

**Subject: Choose To Die Once**

**Scripture Reading: Revelation 20**

**Memory Verses: Hebrews 9: 27 – 28**

**Objective:** To reaffirm believers that eternal life is available for all.

1. Identify the reason why Jesus Christ gave up His divinity? **John 3:16 – 17, John 10: 10**
2. What was given to us to ensure we escape the second death? **Revelation 22: 14 – 15**
3. How are the followers of Christ comforted in **Revelation 20: 6?**
4. Identify the purpose for the second death and who will suffer that fate? **Revelation 20: 14 & 15**
5. Many believe that death is final, and the grave is hell. What does the bible say on this? **Revelation 20: 12 – 13**
6. Job asked a question in **Job 14: 14**, what answer comes to us from Jesus in **John 11: 25?**

**Note:** Examine Joshua's advice to Israel in **Deuteronomy 30: 15 & 19** and make an effort to apply it to ourselves. We must consciously decide to serve God with all our being; continue to the end and we shall be saved.

7. What divine consolation can we hold on to in **Revelation 14: 13?**

**Conclusion:** The first death is mandatory. It was pronounced upon all flesh when Adam & Eve sinned. We have a chance to escape the second death by accepting Christ, repent, be baptized and keep God's holy ten commandments.
